

Bunbury Mill

Winter at the mill

The 2019 summer season has finished - it's been a busy time, with over 2500 visitors coming to our Victorian watermill. Sunday afternoons have been popular, and we've run a highly successful series of school visits

(from reception class up to Year 5, and including Special Needs pupils), as well as visits from groups such as Beavers, Bunbury History Society, Tarporley Rotary Club, and an English Language school from Chester.

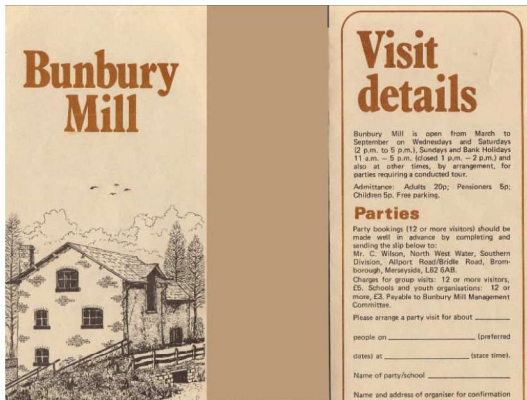

The mill is now closed for the winter, but our volunteers will be busy with essential maintenance work on the grounds, the buildings, and the mill machinery. Group visits can still be arranged - info@bunburymill.com.

Our work with schools in particular is seriously hampered by lack of space in the visitor centre, so we are submitting a planning application for a modest extension, which will improve the experience we can give the schools.

Can you help us?

Part of the Trust's remit is to locate and preserve historical information about Bunbury Mill. Can you help?

We feel that there must still exist old photographs, newspaper cuttings, publicity leaflets, and notices about the mill and the people involved with it.

But all this material will disappear unless we do something about it NOW.

If you have anything at all that might be of interest please contact us at peter.robinson@bunburymill.com, or phone 01829 260641. Nothing will be considered insignificant!!

Forthcoming events

rainorshine@bunburymill.com'."/>
