Welcome to the Bunbury Mill Newsletter Spring 2016

The volunteer team has been busy through the winter - here are some examples of the work we've been doing to get the mill ready for the 2016 season, which starts on Easter Sunday, 27th March. Do come and see us if you can!

But we haven't been completely closed to visitors either - we have hosted groups of primary school children and college bakery students.

As you can see, we need a wide variety of contributions from the volunteer team. If you might be interested in joining in, do please contact us (no commitment!)

Repairing seals on the sluice to reduce water wastage.

Replacing the top timber of the main mill sluice gate

Replacing worn and broken wooden teeth in the mill's gearing

Stripping and thorough cleaning of the millstones

Reaseheath College bakery students toured the mill and were then given a quiz to test what they'd learned!

We've developed and launched a brand new web site for the mill - www.bunburymill.com

If you think you might enjoy helping us to maintain and operate this priceless piece of our village heritage, contact info@bunburymill.com or phone Peter on 01829 260641 - DO IT NOW!!!
